It is noticed that police personnel wear cloths of differing shades of Khaki, which is improper in a uniformed force. In order to bring proper uniformity to the Police Uniform's Cloth and its shade and quality of the uniform, a standard cloth is selected as model and the same is tested in Centre for Applied Research and Development in Textiles, a unit of Kerala Textiles Corporation, Thiruvananthapuram. Based on the test result, following specifications are assigned to the Khaki Uniform of all Police officers /personnel.

SPECIFICATION OF POLICE UNIFORM
