Dated, the 26. March 2018

To

The All SDRF Chief's
 (As per list enclosed)

Subject : **FORWARDING OF ANNUAL TRAINING CALENDAR FOR THE YEAR 2018-19 FOR SDRF PERSONNEL.**

Off late the frequency of disasters across the country has increased many folds. Most of the States are building their capacities to deal with various disaster situations and raising of State Disaster Response Force is an important step taken to achieve the aim of disaster resilient nation.

2. The National Disaster Response Force (NDRF) is committed to assist the States and UTs in raising their respective State Disaster Response Forces by conducting the training for the personnel inducted in the Force. NDRF is conducting Training of Trainers (ToT), Master Trainers in Medical First Responder (MFR) & Collapsed Structure Search Responder (CSSR) and Training of Trainers (ToT) in Chemical Biological Radiological & Nuclear (CBRN) courses for various SDRF. These courses are planned at NDRF HQ and seats are allotted to the States as per their requirement.

3. As per the present practice, basic training of SDRF personnel is being conducted with the assistance of NDRF Units, either at NDRF locations or at respective SDRF locations by sending resource persons from NDRF.

4. It is therefore suggested that a consolidated yearly requirement of above training for SDRF personnel of your state may be projected, if required, in advance to NDRF HQs, so that training courses can be planned in mutual consultation.

5. NDRF HQs, New Delhi have prepared an annual training calendar for ToT and Mater Trainer courses for the year 2018-19 and enclosed as **Appendix-'A'**. The eligibility conditions are also enclosed as **Appendix-'B'** for ready reference.

6. An early reply would be appreciated.

Encl : **As above**
