### **Return of Guest Workers: Directions Issued**

The State Police Chief has directed all the District Police Chiefs to take necessary action to resist the possible law and order issues that may arise among the guest workers due to their excitement and expectations in connection with the permission granted by the Ministry of Home Affairs for their return to home state.

The Government will take necessary arrangements for their return journey and may take few days for this. This fact may be briefed to them. Assistance of other departments may also be sought for this.
