Sub : Compulsory collection of subscription from Police Personnel by Police Associations-reg

Ref : Minutes of the ADsGP Committee Meeting convened by State Police Chief held on 11.07.2014 at PHQ

There are complaints that subscriptions or donations from Police personnel are being collected by Police Associations without their consent in certain cases. This is highly irregular and should not be entertained. Henceforth no subscription or donation towards Police Association shall be collected from the salary of Police personnel without their consent.

The collection of monthly subscriptions from the members of Police Associations, raising of funds for extending help to the family of deceased police personnel, for conducting District/State Conferences of the Associations etc should be as per the existing Byelaws. The practice of collecting donations from the public, obtaining sponsorships of business groups etc for various programmes of the Police Associations and accepting advertisements of private firms and business groups etc for the souvenir published in connection with such programmes should be avoided.
