Message from the **State Police Chief**

It gives me immense pleasure to present the latest edition of the Kerala Police Telephone Directory, CONNECTIVITY PAGES 2025, an essential resource designed to facilitate seamless communication within the department and with the public. This directory compiles the contact details of the Police Officers and other staff members across various wings and units of the Kerala Police, ensuring accessibility and transparency in operations. As we strive to maintain law and order, enhance public safety, and deliver justice effectively, this comprehensive guide serves as a vital tool for quick and efficient coordination.

The Kerala Police is committed to upholding its core values of professionalism, accountability and service to the community. Connectivity Pages 2025 not only reflects the structure and reach of our organization but also underscores our dedication to staying connected and responsive at all times. I trust that it will aid in achieving our collective mission of fostering a secure and harmonious society.
