STANDARD OPERATING PROCEDURE

SHOULDER SLEEVE INSIGNIAS & LOGOS OF VARIOUS UNITS/DIVISIONS

SoP Series 1
Shoulder Sleeve Insignias & Logos of Various Units/Divisions
All over the world a colourful insignia is worn on the shoulder sleeves of an Uniformed Officer. These shoulder insignias are popularly known as Patches and are crucial identifying marks of an uniformed officer like Police. These patches are normally stitched or fixed (which can be removed during washing etc.) to the uniform of a police officer. A Patch will distinctly identify a police officer hailing from a particular unit/Division.

Considering the existence of a number of units in the Kerala Police, we have taken efforts to design various patches, as depicted in this booklet. These patches are to be worn on the left sleeves of the Uniform. A few of such patches are also to be worn on the chest just above the left side breast pocket. Two sizes have been specified depending upon the structure of an individual. Similarly a Police Official can wear a detachable patch or a stitched patch. We have tried to cover all the Units in the Department. If a new unit will come up, a new patch will be designed.

Similarly we have also designed a few logos apart from the Kerala Police Logo, which can be used in the Letterheads/ Name Boards etc. to give an aesthetic feel as well as to provide an identifying mark of that Unit. Such logos can be used as Patches.

The logos and the patches have been designed in the Office of State Police Chief. Shri. Hemanth R Nair, Hav 12496, Shri. Dineshkumar P CPO T 3954 and Shri. Rejin VR, CPO T 16970 are to be given credit for transforming the ideas of the DGP/SPC for making such beautiful designs. Shri. V.P Pramod Kumar, Deputy Director, State Police Media Centre has not only motivated Shri. Hemanth R Nair, Shri. Dineshkumar and Shri. Rejin and but also contributed immensely in various drafting, collections etc. I am personally grateful to them and profusely thank them.

This Booklet is issued as an “order” and will be followed by the concerned.
