KERALA POLICE UNIFORMS
KERALA POLICE UNIFORMS
PREFACE

A Police Force comprising of various Divisions and Units must have different types of uniform for operational/functional/ceremonial purposes. A Police Official takes pride in his/her uniform and the visibility of a Police Official is very critical for the Police and the Society.

In Kerala Police, from the beginning there were various Patterns and types of uniform. With additional units and divisions coming into existence, the patterns and types became more.

In order to keep the uniformity and standard, it was felt that various types of uniforms in Kerala Police are to be described with colour photos for information of one and all. Therefore, this booklet is being brought out.

This booklet on uniforms in vogue in Kerala Police covers the prescribed uniform of all Units/Divisions of the State Police. I am sure this booklet will serve its purpose for which it has been brought out.

While I conceptualised this work, but for Shri Anup Kuruvilla IPS, DIG, Kerala Police Academy and his dedicated team of officials of KEPA and Shri V.P. Pramod Kumar, Deputy Director, State Police Media Centre, PHQ and his team of officials, the booklet could not have been prepared. I am grateful to them.
