### Discourage people wandering on roads during festive days: State Police Chief

The State Police Chief Loknath Behera has directed all District Police Chiefs to take stringent action to restrict people from coming out their home on Sunday and Tuesday during the occasion of Easter and Vishu respectively. He has also stated that as the worship centers, religious institutions and tourist centers are closed in the wake of COVID-19, people hangout in groups can't be acceptable.

People crossing borders of the State for celebrating festivals are strictly prohibited. The State Police Chief has also directed the Police Officers to continue awareness creation on Social Media and through loudspeakers highlighting the importance of staying at home.
