SSLC: Students under HOPE Project Secured High Marks

Students who are trained under HOPE, a project of Kerala Police with the support of Government, Non-Governmental organizations and Public have bagged excellent marks in the SSLC Examination. P Vijayan, IGP and State Nodal Officer, HOPE has stated that out of 522 students trained under this project, 465 students have been qualified for higher studies.

HOPE manual developed with the aid of experts has been used as a model for long term training by teachers in each HOPE Center. Parents were given special training in addition to the training to the students.

P Vijayan, IGP has stated that the project will be modified to cover 2000 students who need care and security. Additional SPs will be nominated as Nodal Officers in all police districts for the efficient implementation of the project. A list of special trainers will be prepared in all districts. All facilities will be arranged for students in HOPE who qualified for higher studies. Skill training will also be given to these students with the support of various agencies.

HOPE, an initiative of Kerala Police, implemented with the support of Government, Non- Government Organizations and Public, aims at providing education, mental support and counseling to the students who fail/drop out from school. HOPE also does scientific interventions for providing skill training,

personality development and to solve suicide tendencies and other mental health problems seen in students.
